The **Economic Development Office** provides this free directory of local businesses for newcomers to the Town of Killingly, as well as for local residents. We want people to be aware of the businesses operating in **Killingly** so everyone can “**Shop Locally**”.

The Business Directory is distributed by the Economic Development Office and listed on our website, [www.killingly.org](http://www.killingly.org) in the Economic Development section of the website. If you would like to add your Killingly business to our directory, call our office or download the form from the **Economic Development** section of our website.

**K**illingly is a community that had its beginnings around several mill villages which continue to be active community centers with both post offices and volunteer fire departments. Because postal delivery areas overlap fire districts and villages, your mailing address may not be the fire district in which you are located. However, The US Post Offices will deliver mail to all zip codes using Killingly as their town. Call the 911 Coordinator (Assessor's Office) for your fire district name.
