- IV. Ongoing Business – review/discussion/action
A. 2019 Garden Year — a porta-potty is at the garden site. There will be no access to the garden on July 18th because the parking lot is being resealed; gardeners need to be notified. The group discussed holding off on all projects until the fate of the garden site is known. Bed #11 has been doing very poorly and Carrie figured out that the plants are being poisoned by the black walnut tree outside the garden and moved the plants to an empty bed. Heather learned about a grant offered by the Last Green Valley that KCG could potentially apply for.
B. Outreach
 - i. KCG Website / Facebook / Instagram — Brittany has some pictures that can be posted.

- ii. Flyers / Advertising / Events — Wayland needs to contact Heirloom about another fundraiser. The gardener's picnic date for this year will be September 8th at 4pm.

C. Work/Education Days — Second Sunday of every month; July 14, 2019. Plans: weeding, staining, pest control (beetles and woodchuck), taking apart the bed affected by the walnut tree, potentially starting fall crops.

V. Next Meeting — Wednesday, August 7, 2019

VI. Adjournment — motion to adjourn at 7:42pm by Jess, seconded by Carrie.
