To be clear, I am happy with the corrections and have no objection with Frito-Lay moving forward with the Yellin Lot plans.

Dear, Ann Marie Aubrey  
Town of Killingly Planning and Zoning Department

Frito-Lay Inc has modified their map showing my access across the Yellin lot.  
After My Discussion with Roger Gieseke and Sil Quenga My access will remain the same. They have assured me there is no Activity planned on the 25 foot Right of Way. Attached is the Map showing where they removed trailers and indicated, no parking in the North West corner of the Lot.

Sincerely, Anthony Simpson
