Need Tax Payment Information?

Taxpayers needing payment information for income tax or other purposes may request those items.

You may obtain tax payment information one of two ways;

1. You may visit our website at www.killinglyct.gov to look up payments received in the previous calendar year. This is a history of all payments received. Please consult your accountant for advice on what is an allowable deduction. Note: Fees under the penalty column refer to miscellaneous receipts, i.e. landfill permits, recycle bins, warrant fees, return check fees, etc.
2. You may fill out our Income Tax Information Handout above and mail it back to us. This form is on the reverse side of this notice or you may download it from our website. For requests received by Tuesday every effort will be made to have them available for pickup on Friday. Request received after Tuesday will be available for pickup the following Friday. Requests must be made in writing to ensure accuracy and completeness. Requests should be specific as to the owner name, address, and property description. Requests must include a telephone number where someone can be reached in case there is a question.
