Public Comments for goal setting meeting Sunday March 06, 2022
To be read in entirety & included verbatim in the minutes

Due to prior commitments, I cannot attend this meeting

I'm very displeased that I was not included in the planning of this meeting,
whenever that was, to state that I had a prior commitment on the date & time in question

This goal setting meeting agenda was posted by the Town Clerk @ 12:12 pm Tues. March 1st..
However, I was only notified of this goal setting meeting prior to the special T C meeting
around 7 pm Tues. March 1st. By the T C chair as follows:

" O by the way Ed, the goal setting meeting is Sunday March 6th 2 pm".

I feel that I'm not part of this T C based on this behavior.

I'm was not afforded the courtesy of stating whether or not I could attend this meeting during
the planning stages.

I'm sure all the other T C members were approached regarding their availability to the meeting
date & time.

Goals

Continue Road & Bridge infrastructure improvements
Support B O E to improve school infrastructure
Additional funds for further study of box culvert
Electronic sign at Owen Bell Park
Better communication signage for elections/Referendum

Thanks, Ed Grandelski
