**Subject:** Proposed Commercial Development - 536, 542, 552 Hartford Pike, Dayville

Dear Town Council

I am writing in strong support of the proposed development at the above address. Not only would this development bring in new businesses to Killingly which is sorely needed but it would also increase the pleasure of using the neighboring park.

Please vote in favor of this development as it will be a great addition to the Town of Killingly.

Thank you

Kimberly Blanchette
