

**Town of Killingly
Wastewater Treatment Plant
Class II Operator**

The Town of Killingly is seeking a full-time Wastewater Class II Operator to maintain the wastewater treatment facility including pump stations and the collection system. This position is of increasing responsibility, reporting to the Assistant Plant Superintendent. Essential problem-solving skills are expected, including the capacity to prioritize and coordinate work as necessary. Excellent written and oral communication skills are required.

High school diploma or vocational program in wastewater, water, plumbing or mechanical repair or related field. Three years' experience in wastewater operation, general maintenance, construction work, or equivalent combination of education and experience. Must possess a CT Class II Wastewater Treatment Certification. Must possess or have ability to obtain a Class B CDL with air brake and tanker endorsement within 6 months. Must possess or have ability to obtain confined space certification as required.

Candidates should submit cover letter, resume, and application to the Town Manager's Office, 172 Main Street, Killingly, CT 06239 or via email at employment@killinglyct.gov. This position will be open until filled.
