Addendum #1

Town of Killingly

Central Business District Improvements

April 10, 2018

Additional Bid Language

For any municipal public works projects receiving over \$500,000.00 in state funding, regardless of the size of the contractor's workforce, an Affirmative Action Plan or Set Aside plan must be filed *within 30 days following the intent to award notice and must be approved by the CHRO prior to the award of the construction contract*. The municipality will need to contact CHRO if they choose to award the construction contract without an approved plan in place. The grantee will then need to retain 2% per month of the total contract value until the contractor has submitted an approved affirmative action plan to CHRO and CHRO has granted approval. (Note: Please contact the Contract Compliance Unit at 860 541-4709 to determine which plan is required).

The contractor who is selected to perform this State project must comply with Connecticut General Statutes (CGS) 4a-60, 4a-60a, 4a-60g and 46a-68b through 46a-68f, inclusive as amended by June 2015 Special Session Public Act 15-5.

State law requires a minimum of twenty-five (25%) percent of the state-funded portion of the contract for award to subcontractors holding current certification from the Connecticut Department of Administrative Services ("DAS") under the provisions of CGS 4a-60g (25% of the work with DAS certified Small and Minority owned businesses and 25% of that work with DAS certified Minority, Women and/or Disabled owned businesses.) The contractor must demonstrate good faith effort to meet the 25% set-aside goals.

For municipal public works contracts and quasi-public agency projects, the contractor must file a written or electronic non-discrimination certification with the Commission on Human Rights and Opportunities.
