ARTICLE III. ADULT-ORIENTED ESTABLISHMENTS⁵

Section 11-61 Findings and purpose

The town council of the Town of Killingly, Connecticut finds:

- (1) Should "adult-oriented establishments" locate in the Town of Killingly, they will require special supervision from the town's public safety agencies in order to protect and preserve the health, safety and welfare of the patrons of such establishments, as well as the health, safety and welfare of the town's citizens.
- (2) Statistics and studies performed by a substantial number of cities and towns in the United States indicate that:
 - a. Large numbers of persons, primarily male, frequent such "adult-oriented establishments", especially those which provide closed booths, cubicles, studios and rooms for the private viewing of so-called "adult" motion pictures and/or video tapes and/or live entertainment; and
 - b. Such closed booths, cubicles, studios and rooms have been used by patrons, clients or customers of such "adult-oriented establishments" for the purpose of engaging in certain sexual acts; and
 - c. Male and female prostitutes have been known to frequent such establishments in order to provide sex for hire to the patrons, clients or customers of such establishments within such booths, cubicles and rooms; and
 - d. Doors, curtains, blinds and/or other closures installed in or on the entrances and/or exits of such booths, cubicles, studios, and rooms which are closed while such booths, cubicles, studios and rooms are in use encourage patrons using such booths, cubicles, studios and rooms to engage in sexual acts therein with prostitutes or others, thereby promoting and encouraging prostitution and the commission of sexual acts which cause blood, semen and urine to be deposited on the floors and/or walls of such booths, cubicles, studios and rooms, which deposits could prove detrimental to the health and safety of other persons who may come into contact with such deposits; and
 - e. The reasonable regulation and supervision of such "adult-oriented establishments" tends to discourage such sexual acts and prostitution, and thereby promotes the health, safety and welfare of the patrons, clients and customers of such establishments.
- (3) The unregulated operation of adult-oriented establishments including, without limitation, those specifically cited at paragraph (1) hereof, would be detrimental to the general welfare, health and safety of the citizens of Killingly.

⁵ Editor's note—Ord. No. 98-023, §§ 1—4, did not specifically amend the Code; hence, inclusion of its provisions as Art. III, §§ 11-61—11-64, of this chapter was at the discretion of the editor.
