This year has been unlike any other – and in many cases, an uncertain and challenging year for small businesses. The Killingly Business Association is **THRILLED** to have you participate in our 'Holiday Shopping Passport' as you show your support for our small business community by shopping local.

WHO'S READY TO SHOP LOCAL?!

HOW THE PASSPORT WORKS

Our 2020 'Holiday Shopping Passport' features **38-local businesses**. Make a purchase at any one of the listed shops and you'll earn a passport sticker – collect **5-stickers** from **5-different shops** to be eligible for our weekly prize giveaway!

Your completed passport must be dropped off to TUNK CITY REVIVAL (100 Main Street, Danielson, CT 06239) no later than 1:30 pm to be entered in that week's raffle.

And be sure your name and a phone number are on your passport – this is the only way we have to contact you about winning!

GIFT DRAWINGS AND CHANCES TO WIN

We will hold a drawing each SUNDAY, NOV 29th to JAN 31st that's 10-chances to WIN! Play once – or play every week by picking up a new passport at any of the 38-local businesses participating. You can also download and print a new passport from our website at <https://www.killinglyba.org/calendar>.

Each weekly drawing will pick **two winners** and will be broadcast from Facebook Live at 2:00 pm. *You do not need to be present to win. Prizes will be mailed to the winner or they may be picked-up in person at Tunk City Revival.*

BEST PRIZE OF ALL - we will keep all passports and select a grand prize winner for the most stickers collected from any/all of the shops. Again, be sure your name and a phone number are on your passport – this is the only way we have to contact you about winning!
