Re: Aquifer Protection Area Program Implementation for the Town of Killingly – Level A Mapping Approval for the Connecticut Water Company's Crystal Plainfield Well Field

Dear Ms. Aubrey:

The Connecticut Department of Energy and Environmental Protection (DEEP) has approved Level A (final) Aquifer Protection Area mapping for the Connecticut Water Company's Crystal Plainfield Well Field. The mapping was submitted by Milone & MacBroom, Inc., and was approved by DEEP on March 21, 2018.

The Town of Killingly's Aquifer Protection Agency now has the following responsibility under the Aquifer Protection Area Program:

Delineation of the Aquifer Protection Area Boundary

The Planning and/or Zoning Commission shall delineate the Aquifer Protection Area Boundary for the Crystal Plainfield Well Field on the town's official zoning map by ~~August 20, 2018~~ **within 4 months of DEEP's notice of mapping approval to the town** as required by the Regulations of Connecticut State Agencies Section 22a-354i-2. A copy of the approved Level A Aquifer Protection Area Map, printed on April 16, 2018, is enclosed. The map was produced at a 1:12,000 scale, but if you wish to receive a map at a different scale, please let us know. The GIS shapefile for this map can be downloaded from DEEP's web site at www.ct.gov/deep/gisdata. Choose the data category "Natural Resources Management" and then "Aquifer Protection Areas".

Please send an electronic copy of the official zoning map with the delineated aquifer protection area boundary clearly displaying the map's effective date, and a copy of the official public notice to DEEP.AquiferProtection@ct.gov.

RE: Level A Mapping for Connecticut Water Company, Crystal-Plainfield Wellfield, Plainfield, CT

Dear Mr. Nadeau:

The Level A Mapping prepared by Milone & MacBroom, Inc. for the Plainfield Wellfield has been reviewed by the Department of Energy & Environmental Protection Bureau of Water Protection and Land Reuse. The submission is consistent with Section 22a-354b-1(b) of the Regulations of Connecticut State Agencies and is hereby approved in accordance with Section 22a-354d of the Connecticut General Statutes.

The mapping will be entered into the CT DEEP Geographic Information System and will be available on the CT DEEP web site at www.ct.gov/deep/aquiferprotection within the next few weeks. Formal notification and transmittal to the towns of Plainfield and Killingly regarding program implementation requirements will be sent out shortly. If you have any questions regarding the mapping, please contact Corinne Fitting at (860) 424-3724. Questions on municipal implementation of the program can be directed to Kim Czaplá at (860) 424-3335.

Sincerely,
