TOWN MANAGER'S BUDGET MESSAGE

March 29, 2022

Killingly Town Council
Town Hall
Killingly, Connecticut

Ladies and Gentlemen:

The proposed General Government and Education Budgets for the July 1, 2022 to June 30, 2023 fiscal year are herein submitted in accordance with Chapter X of the Killingly Town Charter.

The proposed Education Budget was submitted by the Board of Education to the Town Manager on March 15, 2022, in accordance with Section 1003 of the Town Charter. The Superintendent of Schools proposed the Education Budget, which was reviewed and approved by the Board of Education and submitted to the Town Manager as a lump-sum appropriation request. The General Government Budget was prepared by the Town Manager from appropriation requests by the Town's operational managers and from agencies providing services to Killingly residents. The lump-sum Education Budget and the detailed General Government Budget is combined by the Town Manager for presentation to the Town Council on April 2, 2022.

This document also contains a five-year Capital Improvements Plan. The Planning and Zoning Commission reviewed and approved the Capital Improvement Plan on March 21, 2022, as required by State law and the Town Charter.

CONTENTS OF THE 2022-2023 TOWN MANAGER'S PROPOSED BUDGET

A *Mill Rate Statement* (page B-1) follows this message. This *Statement* shows the projected property tax mill rate that would result from adoption of the total budget as presented. This mill rate is calculated by dividing the required property taxes needed to support the total proposed General Government and Education Budget by the Town's net assessed value amount.

An *Expenditure Summary* (page B-2), which shows the current year budgets and next year's appropriation requests, including the lump-sum Education Budget, follows the Mill Rate Statement. This *Summary* shows current budget amounts, departmental expenditure activity and the requests for the Town Operations Budget, the Solid Waste Disposal Fund Budget, the Debt Service Budget, Capital Project Fund and the Due to Student Transportation Capital Non-Recurring (CNR) Fund Budget, on separate lines. The bottom line of the *Summary* is the total of all General Fund budgets for the Town of Killingly.

A *Personnel Summary* of municipal positions and a *Summary of Town Expenditure by Object* (pages B-3, B-4 and B-5) detail the Town Operating Budget activity by major accounting categories.

The next section is the *Summary of General Operating Revenues*. This *Summary* has the detailed, estimated revenues, including property and non-property taxes which fund the proposed General Government and Education Budgets. The Town's Finance Director prepares the estimates of general operating revenues from the Governor's proposed state budget, estimates of operational revenues submitted by Town and School staff and other miscellaneous revenue sources.

The *Town Operations* and *Debt Service Budgets* are next and offer details on the appropriation requests for Town departmental services, retirement of debt and support for other activities. Each of the departmental appropriations is presented in the following line-items: Personnel, Contractual Services, Materials and Supplies, and Capital Outlay. These line-items become the legal appropriations to guide and regulate expenditures when adopted by the voters. The functional appropriations are presented with further details on operational expenditures, which are used for planning purposes only. Both the Town Manager's line-item appropriation requests and the initial departmental expenditure requests are shown.

The proposed *Capital Improvements Program* (CIP) follows the *Town Operations Budget*, with the CIP's first year included as the Capital Budget. The CIP is followed by the Town's CNR Fund Budget, the Student Transportation CNR Fund Budget, the Solid Waste Operating Budget, other special purpose fund budgets and an informational copy of the proposed Sewer Fund Budget.

BUDGET OVERVIEW

The Town Council is responsible for reviewing the proposed budgets submitted by the Board of Education and Town Manager and for approving the General Government and Education Budgets that are submitted to the Annual Town Meeting. The General Government Budget is a combination of the Town Operations Budget, Solid Waste Subsidy, Debt Service Budget, Capital Project Fund Contributions and the Due to Student Transportation CNR Budget.

The Town Manager's budget message has historically included an analysis of the required property taxes and the mill rates to support General Government and Education activities. This analysis is shown in the Exhibits on the previous page. The respective property taxes needed for the General Government and Education activities are calculated by reducing the respective appropriation requests by:

- (1) The estimated non-property tax revenues historically deemed to support General Government and Education activities, and
- (2) A proportional amount of the Lake Road Generating Company's PILOT (payment in lieu of taxes)

These "net" appropriations are divided by the net assessed value to calculate separate mill rates for General Government and Education activities. The two mill rates are then totaled to show a mill rate for all activities.

EDUCATION BUDGET

The Board of Education (BoE) approved its proposed budget on March 9, 2022. The budget approved by the BoE for FY 2022-23 totals \$45,644,997, an increase of \$615,199 or 1.4%, as compared to the current year Education Budget. A more detailed Education Budget is available; it includes a message from the Superintendent and shows a building-by-building breakdown of the education budget.

The required property taxes to support the proposed Education Budget will be \$25,020,885, an increase of \$1,137,296 or 4.76%, as compared to the FY 2021-22 budget. That figure represents 69.7% of all taxes required to support the proposed total FY 2022-23 budget(s). The estimated mill rate for this proposed budget would be 18.21 mills, which is an increase of 0.18 mills, as compared to FY 2021-22.

GENERAL GOVERNMENT BUDGETS

The General Government budgets are comprised of several categories. These categories are Town Operations, Solid Waste Fund Subsidy, Debt Service appropriations, Capital Project Fund contributions and Due to Student Transportation CNR Fund. Collectively these budgets form the General Government Budget. The individual category changes are as follows:

- The proposed Town Operations Budget represents an increase of \$1,574,324 or 13.3% as compared to the current fiscal year.
- The proposed Solid Waste Subsidy remains the same as last year.
- Proposed Debt Service appropriation represents a decrease of 12.4% due to the sewer fund debt related to the facility upgrade. This decrease is offset in equivalent revenue from the Sewer Fund. This debt is fully funded by ratepayers.
- This budget proposes a Fund Balance appropriation of \$450,000 to the Capital Project Fund for road renewal and stormwater drainage system study.
- The proposed Due to Student Transportation CNR Budget for next year totals \$344,680, a 1.0% decrease in expenditures, as compared to the current year. There are no requests of funds to supplement vehicle

replacements. The amount in the proposed budget is the annual set-aside that is related to vehicle depreciation, which will fund future vehicle replacement. The Education CNR Fund was created in 2002 to promote safe and efficient bus operations through the timely replacement of buses. In 2015, it was renamed the Student Transportation CNR Fund.

The required property taxes to support the proposed combined General Government Budget will be \$10,855,103, an increase of \$1,467,813 or 15.64%, as compared to the 2021-22 budget. That figure represents 30.3% of all taxes required to support the proposed total FY 2022-23 budget(s). The estimated mill rate for this proposed budget is 7.91 mills, which is a 0.81 mill increase, as compared to FY 2021-22.

When preparing the proposed FY 2022-23 General Government Budget, we take many factors into account including analysis of historic spending trends, alternative staffing strategies, the evaluation of funding long term liabilities, Town Council primary goals and community needs. This budget was developed with the goal of minimizing any tax impact while still addressing the Town Council's goals and urgent community needs. Management continues to evaluate all aspects of Town government to provide efficiencies and improved service to the community.

The following is an outline of some of the more significant changes in the proposed FY 2022-23 budget:

Two Town's departments will be impacted by the required increase in minimum wage. The library budget reflects an increase of \$3,325 in part-time personnel costs resulting from the required increase. While the Recreation Department also has positions that will be impacted, there was sufficient savings within the budget to absorb those increases.

The Engineering and Building Maintenance proposed budget reflects the addition of a building maintainer. Currently the Town has one maintainer that manages all six Town buildings. The proposal to add one maintainer is an additional cost of \$85,761 (including fringe costs). Building maintenance can fall behind schedule as there is only one person to maintain all the buildings. This additional position will allow for more preventative maintenance and renovations projects to be undertaken with Town staff.

The proposed combined Highway Maintenance and Capital Investment budgets reflects an increase of \$791,917 in total proposed Road Renewal (increase in Highway of \$991,917 and decrease in Capital Projects of (\$200,000). In the current year budget (FY 2021-22) the Town appropriated \$600,000 of Fund Balance to Road Renewal. This was reflected in the Capital Investment portion of the budget. This request is based on the Council's primary goals of road and infrastructure improvements. As previously reported, the road condition evaluation performed in 2018 reflected a recommended annual investment of \$1,200,000 (in 2018 cost dollars) for road renewal to maintain the current grade level of roads. This cost has escalated each year to approximately, \$1,600,000. This budget presents that recommended level of funding and is offset partially by a recommended use of Fund Balance in the amount of \$400,000. This budget also proposes the purchase of a equipment trailer to replace a 2007 trailer that has deteriorated beyond repair. The existing trailer was not on the CNR Funding schedule and therefore was not depreciated over time. The proposed cost of the replacement trailer is \$12,849.

The Law Enforcement proposed budget reflects the addition of two Constables which results in an increase of \$175,578 (including fringe cost) overall to the budget including purchasing clothing, and all equipment necessary for a new hire. There are increases in the amount of \$16,000 related to the increase in motor fuel costs. These increases have been offset by reductions in other budget line items based on historical trends. The net increase to this budget is \$137,760.

The Town contributes to a CNR Fund for the replacement of Town equipment. The annual contribution is based on the depreciation value of the equipment within the department. Typically, when the vehicle or equipment reach the end of their useful life and require replacement, sufficient funds have been dedicated in the CNR Fund to replace the item. At times, due to market increases or condition of the equipment it has necessitated an increased contribution in the year of replacement to meet current market prices. There is one Town Hall pool vehicle that has exceeded its useful life and needs to be replaced. I have closely evaluated the current market price of vehicles and the condition of this fleet vehicle to determine if we could hold off for a few years. The current vehicle is a 2010 Ford Escape. The vehicle is not reliable and frequently breaks down when in use. The CNR Fund has \$18,780 reserved for this replacement. This vehicle requires an additional \$5,720 for a replacement.

The current budget has three utilizations of Fund Balance. The first utilization was to offset operational costs. In the current fiscal year (21-22) the Town utilized \$910,000 of Fund Balance to offset operational costs. The proposed budget eliminates this reliance on Fund Balance and proposes no use of Fund Balance for operational costs. The second utilization of Fund Balance was to fund capital projects specific to road renewal in the amount of \$600,000. The Town Council listed road renewal as one of their top goals. The proposed budget reduces this reliance on Fund Balance to \$400,000. Lastly, the current budget utilized Fund Balance in the amount of \$40,000 for a storm drainage study. The

proposed budget requests the utilization of \$50,000 to continue the storm drainage study. I have included a chart (see page A-8) outlining the Town's Unrestricted Fund Balance and Fund Balance utilization for the last 10 years. The Town's Unrestricted Fund Balance at the end of Fiscal Year 2020-21 is \$13,056,792 or 21.5%.

Municipal Spending Cap

The Connecticut State Legislature enacted a municipal spending cap plan in 2015 (CGS Section 4-66(d), (f) and (h)). This spending cap plan penalizes municipalities that increase their budget expenditures by more than 2.5% from the previous year. There are some costs that are excluded from calculating the 2.5% such as debt service, capital projects, special education funding and arbitration awards. The consequence of exceeding this cap is a reduction in the municipal sharing grants funded by the State. The reduction is equal to 50 cents for every dollar over the cap. This consequence has been in place since FY 2018. However, as a distressed municipality, Killingly was exempt from the spending cap. Now that Killingly is no longer designated a distressed municipality, we are subject to any consequence from exceeding the spending cap. The proposed budgets result in a net increase, based on the spending cap formula, from the FY 2021-22 adopted budget of 1.82% which is less than the required spending cap.

CONCLUSION

The proposed budgets are the results recognizing the Town Council's primary goals and of the carefully considered plans of Town staff to implement the long and short-term goals of the Town. I believe that each department head worked diligently to look for proficiencies within their areas. The Town continually strides to look for the best way to provide services for the best cost.

The Town's elected officials are charged with setting the course of the Town. Those officials must consider and adjust the plan(s) set forth herein, to ensure that the proposals help to achieve and maintain the positive direction of the Town and that they meet the public's interest, in the most effective and affordable way.

A Public Hearing on the Board of Education and Town Manager's Budgets has been scheduled for April 14, 2022, at the Killingly High School Auditorium, 226 Putnam Pike, Killingly, CT. Public comment can also be submitted via email at budgetcomment@killinglyct.gov. Comments need to include the individual's name and home address for the record. The Town Council, in accordance with the Town Charter, must approve General Government and Education Budgets within ten (10) days after said hearing and forward them to the Annual Town Meeting. The Annual Town Meeting is scheduled to begin on May 2, 2022 and must be adjourned to an all-day machine vote that has been scheduled for May 10, 2022. Town Meetings and machine votes continue every two weeks, except for holidays, until both the General Government and Education Budgets are adopted by the electors.

The budget process offers us the opportunity to maximize the use of taxpayer dollars, plan for the future, implement the priorities of the Town Council and the services desired by the public. I sincerely appreciate the dedication of all my colleagues who participated in preparing, reviewing, and

planning these budgets and the colleagues who help us implement the plans, always with an eye towards additional savings and outstanding service to the taxpayers of Killingly. All these individuals combine to form a great team of public servants, who take their responsibility very seriously. I look forward to working this year and years to come by continuing the plans that will ensure Killingly is positioned to grow and improve. Our outlook is always forward-leaning and collaborative, as we strive to provide the best service in the most efficient and affordable way.

Respectfully submitted,

Mary T. Calorio
Town Manager

GENERAL GOVERNMENT

TOWN COUNCIL

DEPT # 01

DESCRIPTION
 The Town Council, Killingly's primary legislative body, is composed of nine representatives elected by voters every two years for District Council Members and four years for At-Large Council Members. The Council acts as the chief legislative and policy-making body in the Town. In this capacity, the Council enacts policy based upon the needs and demands of the community.

BUDGET VARIANCE DETAIL
 Decreases in costs for contractual support services based on historical trends.

GENERAL GOVERNMENT

TOWN MANAGER

DEPT # 02

DESCRIPTION

The Town Manager, a professional municipal manager appointed by the Town Council, serves as the Town's Chief Executive Officer. The Town Manager is responsible for the general operation of Town departments, programs and services.

This budget reflects three (3) full time positions.

BUDGET VARIANCE DETAIL

The proposed budget includes the addition of a full time technical position for a grant writer which will also provide administrative support for the office. This position is a restructured position offset by the reduction of a position in Economic Development and a partial reduction Community Development.

LEGAL SERVICES

DESCRIPTION

The Town Attorney, appointed by the Town Council, serves as the Town’s chief legal officer. The Attorney represents the Town in general municipal law, labor, litigation, and advises the Town Council, Town Manager, boards, commissions and municipal departments on related legal matters. This account provides the funds to pay the Town Attorney’s fees and the fees for special counsel for revenue and bond/borrowing matters. Statutorily required contributions to the regional probate court are also part of this account.

* - Fiscal year 2018-19 actual cost for probate expense reflects a return of prior year surplus distributed to member towns

GENERAL GOVERNMENT

TOWN CLERK

DEPT # 04

DESCRIPTION

The Town Clerk’s office serves the taxpayers and the citizens of the community, as well as those local professionals who utilize Town records. The office’s central purpose is to record, index and preserve Killingly’s valuable permanent records. Another important role of the Town Clerk’s office is to educate the public regarding statutory requirements and procedures. Additionally, the office issues many licenses and permits, including marriage, birth and death certificates; dog and sporting licenses. The Town Clerk’s office coordinates with the Registrars for all elections and referendums. The office handles all absentee balloting.

The Town Clerk budget includes three (3) full time positions.

BUDGET VARIANCE DETAIL

Personnel increases are reflective of current union contractual wage agreements. Increases in data processing are reflective of actual market and historical trends relating to transactions that effect land records.

GENERAL GOVERNMENT

FINANCE

DEPT # 05

DESCRIPTION

Responsibilities for the Finance Department include management and preparation of the bi-weekly payroll, accounts payable, debt service, cash management, financial reporting, budget preparation and the annual audit. In addition, accounting records for Town grants, special school grants, special revenue and trust funds, capital projects, Water Pollution Control, and the Solid Waste Fund are maintained. The Town's risk management, insurance control, health benefits, workers' compensation and pension plan programs are all managed by this office.

The Finance budget includes three (3) full-time positions and (1) part-time position shared with the Highway Department.

BUDGET VARIANCE DETAIL

Personnel increases are reflective of current union contractual wage agreements.

GENERAL GOVERNMENT

DEPT # 06

ASSESSOR

DESCRIPTION

The Assessor's Office is responsible for the fair application of state statutes and equitable assessments of all real and personal property and the processing of the various allowed exemptions, abatements and use assessments per state statute. Accurate and well-maintained property records serve as a critical information source for other Town departments, individual property owners and their agents. This office continues to joint venture with other assessment offices to get group pricing when possible.

The Assessor's budget includes three (3) full time positions.

BUDGET VARIANCE DETAIL

Personnel increases are reflective of current union contractual wage agreements. The printing and knowledge and reference materials include increases for market costs.

REVENUE COLLECTION

DESCRIPTION
 The principal function funded under this account is the billing and collection of all property tax revenues which include current and back taxes; lien and interest fees; and, pro-rated elderly, construction and supplemental motor vehicle taxes. Secondary functions include the collection of sewer use and assessment charges levied by the Water Pollution Control Authority, residential bulky waste, and commercial landfill fees. The Connecticut statutes and Town of Killingly ordinances govern the work performed in this office.

The Water Pollution Control Authority reimburses the Town for expenses associated with the billing and collection of the sewer use and assessment accounts and is recorded under the Revenue Budget.

The Revenue Collection budget includes three (3) full time positions and one (1) part time position.

BUDGET VARIANCE DETAIL
 Personnel increases are reflective of current union contractual wage agreements. Changes in contractual services are based on historical and market trends.

REGISTRATIONS/ELECTIONS

DESCRIPTION

There are two Registrars of Voters, one Democrat and one Republican, who are elected every two years, and are responsible for the maintenance of the Town's voting lists and for the conduct of elections. In conjunction with the Town Clerk, the Registrars also serve as the Board of Admissions during voter-making sessions conducted during the year. Major expenses for this office are payments to election workers, printing of election notices, materials and ballots, and all costs related to maintaining voting machines.

BUDGET VARIANCE DETAIL

This budget reflects an increase in wages for a market adjustment based on a salary survey. However this is offset based on a reduction in Election/Pollworker stipends due to actual historical averages. Changes included within the contractual services section of this budget are based on market trends and anticipated usage.

GENERAL GOVERNMENT

DEPT # 09

TOWN COMMISSIONS & SERVICE AGENCIES

DESCRIPTION

Funds in this account provide appropriations for the services provided by a variety of Town agencies, the Regional Council of Governments. The expenses of these Town Boards and Commissions include such items as legal notice advertising, mandated payments to board members and other costs and charges. The Housing Authority appropriation includes sewer use charges for the Maple Court and Birchwood Terrace housing projects.

BUDGET VARIANCE DETAIL

The proposed budget reflects decreased operating costs for the Housing Authority. Decreases in certain commissions as noted below are based on actual historical trends. These decreases offset increases in the per capita assessment by NECCOG, increase in the Permanent Building Commission related to the KMS and Westfield Avenue projects, and an increase in Temporary Commissions consistent with Town Council goals for a strategic planning and vision study.

**GENERAL GOVERNMENT
PLANNING & DEVELOPMENT**

DEPT # 10

DESCRIPTION

The Department of Planning and Development oversees land use policy and implementation in Killingly in accordance with Connecticut General Statute requirements and local zoning regulations. Staffing and technical support are provided to the Town's land use commissions including the Planning & Zoning Commission, Inland Wetlands & Watercourses Commission, Zoning Board of Appeals, Conservation Commission, Aquifer Protection Agency, Open Space Land Acquisition Committee, Agriculture Commission, and temporary special committees and sub-committees as assigned.

This budget includes four (4) full time positions.

BUDGET VARIANCE DETAIL

The proposed increase is due to the contractual wage requirements.

**GENERAL GOVERNMENT
INFORMATION TECHNOLOGY & COMMUNICATION**

DEPT # 11

DESCRIPTION

This account covers the Town's data processing, networking, and telecommunication expenditures. The Town currently utilizes a server and PC network computer system, which links all Town Hall departments. The account covers general expenses, service contracts on hardware, temporary assistance in records conversion and software maintenance contracts, as well as, planning for technological upgrades for the Town's future IT needs.

BUDGET VARIANCE DETAIL

The Contractual Services - Support increase is based on market increases for software support renewals. Most significantly the annual renewal fees for the Microsoft office suite of software. In addition this budget includes the implementation of fiscal transparency software to interface the Town's financial software with the public.

GENERAL GOVERNMENT

TOWN HALL BUILDING

DEPT # 12

DESCRIPTION

This account provides funds for the general operation and physical maintenance of the Town Hall. This building - the municipal office center - operates from 8:00 a.m. to 5:00 p.m., Monday, Wednesday and Thursday, 8:00 a.m. - 6:00 p.m. on Tuesdays and 8:00 a.m. - 12:00 p.m. on Friday. The facility is heavily utilized during evening hours for meetings of the Town Council and various boards, commissions and committees.

This budget includes one (1) part-time position for the Custodian.

BUDGET VARIANCE DETAIL

The proposed increases in electricity and heating fuel are based on increases in market trends, actual usage, and the increased use of the building for daily first and second shifts of the Town's law enforcement employees. Due to increase in market prices the increase in Due to CNR is related to the cost of the replacement of a Town Hall pooled vehicle currently scheduled for replacement.

DEPT # 13

ECONOMIC DEVELOPMENT

DESCRIPTION

The Economic Development Office promotes the growth and development of the Town's economic base by assisting with the retention and expansion of existing businesses, encouraging new businesses to locate in Killingly and coordinating development programs and resources. Information, advocacy and referrals are offered to industrial, commercial and home-based businesses for various aspects of their operations. This office also provides outreach with media and civic groups. Staff support is provided for the Economic Development Commission and the Killingly Business Association. The Director participates in the Eastern Connecticut Enterprise Corridor, the Northeast Connecticut Chamber of Commerce, the Eastern CT Tourism District, the Last Green Valley, the CT Main Street and other related networking groups.

The Economic Development budget includes one (1) full-time position.

BUDGET VARIANCE DETAIL

The increase in personnel services for Salary Administrative is related to wage increases as supported by a market salary survey and office restructuring. However the overall reduction in personnel services has been transferred to the Town Manager's budget for the restructuring of a clerical position to technical position for a grant writer.

PUBLIC WORKS

DEPT # 22

ENGINEERING AND FACILITIES ADMINISTRATION

DESCRIPTION

The Engineering Department is responsible for the coordination, inspection and acceptance of all public infrastructure improvements including excavation within the Town's streets. The Department performs technical review of plans submitted to the Planning & Zoning and the Inland Wetlands & Watercourses Commissions. The Engineering Department staffs and provides engineering assistance to the Water Pollution Control Authority. Additionally, the department prepares plans and specifications for numerous capital improvement projects, manages larger capital projects which may be designed by outside consultants for the Town and works closely with the Highway Division. The Director of Engineering and Facilities, (formerly the Director of Public Works) is the Town Engineer and oversees municipal buildings, Solid Waste Management, and provides Waste Water consultation. The Department continues to work on numerous improvement projects throughout the Town including, but not limited to, road construction, bridge renovation, and improvements to municipal facilities, the sewer collection system and the Waste Water Treatment Plant.

The Engineering and Facilities Administration budget includes six (6) full time positions.

BUDGET VARIANCE DETAIL

The proposed budget increase in labor expenditures is to add a position for a second Facilities Maintainer. This is offset by reductions in overtime based on actual usage. Changes in operating supplies are based on overall trends in usage.

CENTRAL GARAGE

DEPT # 24

DESCRIPTION
 The Town of Killingly Highway Division Central Garage account covers Mechanics' and the Laborer/Driver/Inventory Control Aide's wages. This account also covers the expense of repairing and maintaining over seventy town-owned vehicles, ranging from cars and trucks to heavy construction equipment. The Central Garage account includes all the electricity, motor fuel, heating oil, and a shared janitorial service with the Board of Education.

The Central Garage budget includes four (4) positions.

BUDGET VARIANCE DETAIL
 The increase in Labor represents the required contractual wage increases. Increases in repair parts related to combining the repair costs from the Law Enforcement budget as part of the overall fleet management. Increases in Motor fuel are based on contractual increases in fuel.

DEPT # 28

HIGHWAY MAINTENANCE

DESCRIPTION
 The Town of Killingly Highway Maintenance account funds the wages for the biggest portion of the Highway Division's employees and provides for the maintenance of approximately 120 miles of improved roads and 10 miles of unimproved roads, with new roads being added every year. Major expenditures include the line striping of 35 miles of town roads, removal of hazardous trees, roadside mowing and brush control, road sweeping, road pavement patching and repair, drainage maintenance and repair, litter pick up, curb repair, dirt road maintenance and dust control.

The Highway Maintenance budget includes fifteen (15) positions.

BUDGET VARIANCE DETAIL
 The increase in Labor represents contractual wage increases. Reductions in contractual services professional development and contractual support services are based on actual usage and trends. The increase in drainage products and sand & gravel are reflective of the need for these supplies in conjunction with the overall pavement management program. Pavement management for bituminous and related paving costs have been combined and reclassified as a capital item in the current year. The proposed budget is consistent with the amounts needed to adequately maintain the Town's roads and related infrastructure. Equipment non-vehicular is for the purchase of a higher rated GVW trailer to be more universal within use of the fleet.

HIGHWAY WINTER MAINTENANCE

DESCRIPTION

The Town of Killingly Highway Division Winter Maintenance Account funds the cost of winter snow removal and ice control during regular and overtime winter operations. This account covers the cost of salt and sand used for snow and ice control, and the cost of plow blade replacement. This budget line is directly related to the amount of winter precipitation, temperatures, and the length of the winter season; therefore, expenses fluctuate annually.

BUDGET VARIANCE DETAIL

There is a proposed increase in Sand & Gravel due to an increase in usage as a treatment alternative for certain types of storms. The proposed request for Salt & Calcium reflects an increase from the previous year to continue to phase in the restoration of the budget to previous years funding levels based on actual usage and trends.

DEPT # 32

RECREATION ADMINISTRATION & PROGRAMS

DESCRIPTION

This budget account covers the Department's administrative overhead and office operation as well as the recreation opportunities offered by the Parks & Recreation Department. Our mission is to provide fun, safe, physically rewarding and emotionally satisfying family and individual recreation opportunities and facilities to every member of the Killingly Community at a nominal cost "Just for the FUN of it". We will continue to look and think outside the box to maintain this level of recreation and commitment. We look forward to meeting more members of the community through our various programs and events in the upcoming year.

The Recreation Administration and Program budget includes four (4) full-time positions. The remaining positions are all part-time or seasonal staff for the various programs.

BUDGET VARIANCE DETAIL

Personnel costs presented in this budget reflect a restructuring of staff from five full time positions to four full time positions offset by increases in the number of hours to be provided by permanent part-time staff. Reductions on seasonal staff are made based on historical trends of actual usage. This budget also anticipates increases for new programs reflected as costs in contractual services but are offset by increases in revenues.

RECREATION/CULTURAL

DEPT # 33

PARKS AND GROUNDS

DESCRIPTION

This account covers the cost of maintaining the grounds of Town parks, the grounds around public buildings, downtown parking lot areas and the River Trail. Primary responsibilities are turf and athletic field maintenance, game preparation, care of trails, etc.

The Parks and Grounds budget includes two (2) full-time positions. The remaining positions are seasonal part time staff.

BUDGET VARIANCE DETAIL

The proposed budget includes contractual wage increases in personnel. Seasonal labor also increased due to market adjustments required in order to hire and retain seasonal staff. This is offset by the reduction in contractual services based on actual usage. The increase in the Due to CNR relates to vehicle reallocations and adding two mowers that had been purchased in previous years that were not properly depreciated in the CNR allocations.

PUBLIC LIBRARY

DEPT # 34

DESCRIPTION
 The Town of Killingly supports a full-service public library that is currently open to the public 49.5 hours per week, six days a week, including three evenings and Saturday. In addition to traditional library services and programs, there are eleven (11) computers available to the public for Internet access and word processing. Patrons may use home computers to access library holdings, place requests for materials, download audio books and eBooks, access their own library accounts and renew materials. Also available from home is the Connecticut State Library data base "CONN" which provides 24 databases accessible with a Connecticut library card.

The proposed Public Library budget includes six (6) full-time and eleven (11) part-time positions.

BUDGET VARIANCE DETAIL
 Personnel costs for have been adjusted to include the statutorily required minimum wage increase effective in this upcoming budget year. In addition restructuring among full and part time staff was made among circulation staff in order to adequately serve the needs of the Library patrons. Decreases in Contractual Services and Materials & Supplies have been made based on market price and actual usage trends.

DEPT #36

COMMUNITY CENTER

DESCRIPTION

This budget accounts for the custodial coverage of the Community Center and the facility operating costs for such things as heating fuel and service contracts for elevators, etc.

The proposed budget includes one (1) part-time staff.

BUDGET VARIANCE DETAIL

This budget includes increases in costs based on market price and usage for natural gas, offset by historical usage trends in electricity, water, cleaning supplies and repair and maintenance supplies.

DEPT # 39

OTHER TOWN BUILDINGS

DESCRIPTION

This account provides the funds to maintain the Bugbee Building, which the Killingly Historical Society operates its Killingly Heritage Center.

BUDGET VARIANCE DETAIL

The increase in this budget is related to contractual increases in the annual maintenance of the building's HVAC system.

2017-18	2017-18	2018-19	2018-19	2019-20	2019-20	2020-21	2020-21	2021-22		OBJECT OF EXPENDITURE	2022-23		% Change	\$ Change

**PUBLIC HEALTH, SAFETY, & COMMUNITY DEVELOPMENT
BUILDING SAFETY AND INSPECTIONS**

DEPT # 41

DESCRIPTION

This budgetary account supports the Building Safety and Inspections Office which has the responsibility of ensuring the safety of persons and property through the establishment and maintenance of an effective building and fire code enforcement programs. The Building Official and Fire Marshal have the responsibility and are an essential element of the overall Building Safety and Housing Code programs. Associated benefits that result from the duties performed by this office include: the reduction in the occurrence of fires, loss of life and injury, and the reduction of insurance rates.

The Building Safety and Inspections budget includes four (4) full time positions and two (2) part-time positions.

BUDGET VARIANCE DETAIL

Personnel costs have increased due to contractual increases in wages. The salary portion of the Fire Marshal duties performed as Emergency Manager Director were funded by a grant in the prior year, which was a one year grant to phase the costs into the budget. These costs have been offset by decreases in the need for equipment and miscellaneous contractual services and materials and supplies. Knowledge and reference materials have increased for the purchase of new code books to reflect the new code changes adopted by the State.

ANIMAL CONTROL**

DEPT # 42

DESCRIPTION

This account provides funding for the operation of the Animal Control Program which deals with enforcement of State laws regarding animals, especially dogs, and efforts to protect animals from abuse and neglect.

The Northeast Connecticut Council of Governments (NECCOG) provides animal control services on a regional basis. The regional approach provides budgetary savings with more coverage.

BUDGET VARIANCE DETAIL

There is increase in this budget based on NECCOG's proposed per capita fee.

**PUBLIC HEALTH, SAFETY, & COMMUNITY DEVELOPMENT
LAW ENFORCEMENT**

DEPT # 43

DESCRIPTION

This budget account covers Town police officers and the Town's contracts with the Connecticut State Police for Resident State Troopers. The Resident Troopers' Office is responsible for enforcing State laws and Town ordinances, supervising the Town Constabulary and advising the Town Manager on an as-needed basis. The Office coordinates all law enforcement efforts in Town and consolidates law enforcement information. The hybrid officer/ Trooper staff provides all law enforcement related services, such as motor vehicle enforcement, criminal investigations, as well as specialized patrols in problem areas and community policing involving bike and foot patrols where needed.

The proposed law enforcement budget includes eight (8) full time Constables which includes a School Resource Officer (SRO), one (1) part time position and two (2) Resident State Troopers.

BUDGET VARIANCE DETAIL

The proposed budget includes the addition of two Constables and necessary equipment. The decrease to Contractual Services - Resident State Trooper is based on the State's contract for services. Costs related to vehicle maintenance have been recorded in the Central Garage budget as part of the costs of the overall fleet management.

**PUBLIC HEALTH, SAFETY, & COMMUNITY DEVELOPMENT
COMMUNITY DEVELOPMENT**

DEPT # 51

DESCRIPTION

The Community Development Office is responsible for the development and administration of grant-funded projects, primarily serving the low and moderate income residents in Town. The Office coordinates its activities with other town departments, the Permanent Building Commission and the residents of Killingly. The Director continues to staff the Permanent Building Commission. It is anticipated that, in time, grant proceeds could fund the majority of the cost of the Community Development Director's position.

The Community Development budget includes two (2) full time positions.

BUDGET VARIANCE DETAIL

Overall decreases in contractual services are based on actual usage and trends. The prior two fiscal years included additional start-up costs in connection with the new grant administration for area Towns. Reduction in the project coordinator was related to the creation of a grant writer position within the Town Manager's budget.

**PUBLIC HEALTH, SAFETY, & COMMUNITY DEVELOPMENT
HUMAN SERVICE SUBSIDIES**

DEPT # 52

DESCRIPTION
This account provides the Town's contribution toward a portion of the operating costs of various social, health, safety and other agencies offering services to Town residents. To address needs which transcend municipal boundaries, most of these services are provided on a regional basis in the interest of economy and efficiency. Contributions to these agencies are based on a variety of formulae such as per capita or statistical measurement of the service received by an individual Town. For the Adult Education Program, the Town serves as the recipient of State grant money, which is passed through to the Regional Community and Adult Education Program. There is a corresponding recognition of the grant in the Revenue section of the budget.

BUDGET VARIANCE DETAIL
Most human service subsidy requests are the result of a population-based formula employed by the respective agencies. Most agencies will show a slight increase from year to year - especially NDDH, Adult Education and the Paramedic Intercept. The services for the Paramedic intercept are budgeted based on an estimated usage by the Town. The Ambulance Service increased their request in the current year as it relates to the

MISCELLANEOUS

EMPLOYEE BENEFITS

DEPT # 61

DESCRIPTION

This account funds fringe benefits provided to town employees. A comprehensive and competitive benefit package is maintained in order to attract and retain qualified workers. Included in the benefit package are health and life insurance and a partial tuition reimbursement program for work-related courses. The pension program appropriation is a combination of the actuarially-determined contribution toward the Town's defined-benefit retirement program and payments on behalf of employees to a defined contribution retirement program offered through Mission Square Retirement (formerly ICMA).

BUDGET VARIANCE DETAIL - MANAGER

Proposed increase in health insurance is based on actual enrollment. Health insurance rates for FY2022-23 are expected to remain flat. Increases in employer taxes is consistent with overall contractual wage increases as well as the addition of new positions. The Pension program represents those costs required based on the actuarially required contribution for the Town Pension Plan as well as the employer portion of the matching contributions made to the defined contribution program.

MISCELLANEOUS

INSURANCE

DEPT # 62

DESCRIPTION

This account funds property and liability insurance coverage for both Town and Board of Education. Coverage is provided for building, property, liability, automotive, boiler, machinery, public official's liability, employee blanket bonds and bonding for certain employees. The Workers' Compensation appropriation covers only the Town's portion of the premium. To counter the increase in premiums, the Town utilizes higher deductibles on all of its insurance lines. A Self-Insured Fund has been established (see Page F-6) to cover losses below the deductibles.

BUDGET VARIANCE DETAIL

Costs for property/liability insurance includes a 0% increase in Property/Liability insurance with our main carrier (CIRMA). As of July 1, 2021 the Town's insurance carrier, CIRMA no longer provides cyber insurance coverage as part of our property/liability policy. Therefore, this is the first full year that the Town pays for insurance under a separate stand-alone policy in the amount of \$22,000. Based on exposure, the Town's workers' compensation insurance increased approximately 3%.

SPECIAL RESERVES & PROGRAMS

DESCRIPTION

Funds in this account provides for the reservation of funds for several purposes. General Contingency exists to provide funds for unanticipated levels of expense. In addition, the "Contingent" line has traditionally contained funding for yet-to-be determined wage adjustments. The Council approves all transfers from the Contingent Account.

BUDGET VARIANCE DETAIL

Funding has been increased to fund the Reserve for Revaluation to recognize future revaluations costs.

DEBT SERVICE

DESCRIPTION

This account provides for the payment and interest on the town's long and short-term debt obligations. These debt obligations are used in the development and maintenance of the Town's facilities and capital infrastructure.

BUDGET VARIANCE DETAIL

The debt service for the Sewer Facility upgrade began in January 2022 and included a 1/20th down payment at closing. This was a one time payment and debt service costs are therefore lower in 2022. The increases for debt issuance costs are anticipated bond issuances for the Spring of 2023.

CIP PROGRAM

CAPITAL BUDGET

DESCRIPTION

The Capital Budget is a listing of all recommended capital projects proposed for the next fiscal year. By definition, a Capital Project is a project that helps maintain or improve a Town asset, often called infrastructure. To be included in the Capital Budget, a project must meet ONE of the following requirements (criteria):

- It is a new construction, expansion, renovation, or replacement project for an existing facility or facilities. The project must have a total cost of at least \$10,000 over the life of the project. Project costs can include the cost of land, engineering, architectural planning, and contract services needed to complete the project.
- It is a purchase of major equipment (assets) costing \$50,000 or more with a useful life of at least 10 years.
- It is a major maintenance or rehabilitation project for existing facilities with a cost of \$10,000 or more and an economic life of at least 10 years.

The Capital Outlay amount listed in the Town's expenditures and in the Capital Budget is the Town's General Fund Contribution for that fiscal year. The itemized list of funding sources, when approved on adoption of the General Government Budget, authorizes the acceptance of the non-general government contribution funds. The list of projects is matched to funding sources in the Capital Improvement Program. When any non-general fund contribution funding is approved, the project funds as contained in the Capital Budget are appropriated.

APPROVED BUDGET DETAIL

Below is a summary of financing for FY22-23.

EXPENDITURE CATEGORY	FY 22-23
Road Construction	\$2,010,700
Highway	\$100,000

Project Comments

Road Renewal Unimproved Roads - The purpose of the Unimproved Roads program is to pave unimproved (dirt) roads which either cause severe maintenance problems or are experiencing increased traffic due to development. The Town will complete the paving of Chase Road and a portion of Stone Road.

Road Renewal - The Road Renewal Program provides for an on-going pavement resurfacing schedule for the Town's 121 miles of paved roads. This program helps the Town avoid costly reconstruction due to deferred maintenance. In recent years, the Town has been very committed to this program, which is funded through a variety of sources. Town aid funds will be used for resurfacing various streets that are in need. The Engineering Department and the Highway Department are commencing a road evaluation project which will establish a road resurfacing/rebuilding program.

Maple Street & Upper Maple Street Phase III - IX - The section of Maple and Upper Maple Street that connects Rt 6 and Rt 101 is heavily traveled and in need of upgrades. This project is intended to be implemented over a period of several years and would include pavement restoration and pedestrian improvements. Sources of funding are anticipated to be LOTCIP (Local Transportation Capital Improvement Program) or BUILD (Better Utilizing Investments to Leverage Developments).

Bailey Hill Road - Bailey Hill Road runs north and south as a local connector road between Route 101 and Route 6. There are numerous drainage and road improvement issues that need to be addressed in order to provide an adequate level of service for the community. The project is anticipated to take several years to complete.

Louisa Viens Road - This road is in the industrial park and connects to Lake Road with Alexander Parkway. As a result of the heavier traffic for this roadway the road is in need of complete rebuilding. The catch basins have been replaced in this section. However the roadway has not been addressed.

Total		100,000	2,500,000	50,000	50,000	50,000	2,750,000

Project Comments

* Storm Drainage Improvements - The Storm Drainage Improvement Program was started in 1991. It is designed to address miscellaneous spot drainage problems throughout the Town. Funding is applied on an as-needed basis.

* Guide Rail Replacement - The Guide Rail Replacement program allows for the replacement of seriously deteriorated guide rail with metal beam type guide rail and at selected locations where conditions dictate, new guide rail.

* Sidewalks - The purpose of the Sidewalk program is to provide an ongoing improvement and maintenance schedule for sidewalks in the Town.

* Downtown Area - Drainage Study -The downtown area drains through a series of very old stone box culverts. This study will help evaluate the condition and capacity of the existing drainage system and provide recommendations for improvements. The study began at its outlet to the Five Mile River on Water Street. Phase I of the Study evaluated the infrastructure from the outlet to the municipal parking on School Street. The proposed Phase II will continue the evaluation towards Reynolds Street.

* Route 12 Sidewalk Connection - Lower Route 12 near the Big Y Plaza and the WPCA facility is being evaluated by the State of Connecticut Department of Transportation for a signaled crosswalk. Sidewalks would be constructed to connect the existing sidewalks near Big Y to the River Trail walk.

* Industrial Park Sidewalks - This project will improve sidewalk access at the Industrial Park to implement recommendations outlined in a feasibility study performed under a Connectivity Grant. The project would install sidewalks through the Industrial Park and focus on connection to Route 12. Connections to Upper Maple Street need additional evaluation.

Total		-	-	-	1,200,000	3,300,000	4,500,000

Project Comments

Cotton Bridge Road Bridge - This bridge crosses the Quinebaug River connecting the Towns of Killingly and Pomfret. The Connecticut Department of Transportation (CDOT) has identified areas of concern with the bridge. The replacement of this bridge will require an inter-municipal agreement. Therefore, planning work should begin early. Addressing some of the areas identified in the CDOT inspection report may prolong the life of the bridge and reduce overall costs.

Peeptoad Road Stone Arch Bridge - This is a historical Stone Double Arch Bridge on Peeptoad Road in Dayville. The Bridge was built in or about 1850. This bridge was rated as poor in the inspection performed by CDOT in 2012. Partial funding to design and rebuild the bridge is currently available through either the Local State or Federal Bridge Programs.

North Street Bridge - The decking structure dates to the 1970's while the stone abutments are much older. CDOT has documented several deficiencies mostly relating to the stone abutments. Certain repairs would be made in the current year in advance of a larger grant funded project in future years.

Totals		2,140,000	4,735,000	-	-	-	6,875,000

Project Comments

- * Town 3rd & 4th Floor Renovation/Expansion - The space on the 3rd and 4th floors of the Town Hall would provide much needed office space for several departments. This project would include the design, renovation and reconfiguration of office space to allow for a more functional layout among Town Hall departments as well as improvements to the elevator. The elevator portion of the project would replace the existing elevator and extend service to the 3rd and 4th floors of the Town Hall. The existing elevator was installed in the mid-1980's and requires modifications to meet current code and ADA compliance.
- * Police Office Facility - As the Constabulary continues to expand and the Town hires additional Officers, additional space is needed to properly house the program. The Town is exploring facility lease options within the Town. Construction would be needed for leasehold improvements in order to provide for proper buildout of the space.
- * Police Training Facility - An area is needed for the Constables to conduct required training exercises. Space at Brickhouse Road is being explored as a potential location for this facility. The project would include the cost of materials to install the required safety barriers.
- * Town Hall Building Improvements - This project would include brick repointing to the exterior of the building as well as replace the floor in the first floor main hallway. There are numerous cracks and broken tiles in the hallway areas.
- * Public Works Garage Floor and Mechanics Pit - The project includes grinding and resealing of the entire garage floor to make needed repairs and help protect the floor from the salt and make it easier to clean. The mechanic's pit is in need of repair as the concrete walls are starting to crack and spall. The project would update the pit by repairing the walls, add LED lighting, improve drainage, improve ventilation and install a new covering system.
- * Vehicle Wash Bay at Highway Garage - The installation of a vehicle wash bay at the Public Works garage would serve the Town and Board of Education vehicle fleet. The project would include a water reclamation system to conserve and reuse water services.
- * Brickhouse Road Boiler- The boiler at the Transfer Station will be due for replacement. This project would include the installation of a new boiler.
- * Brickhouse Road Building Improvements- The storage building at Brickhouse Road is in need of repair. The project will include the installation of a new roof and make interior improvements to enhance the existing storage capacity.
- * Library Roof- The roof at the Library is nearing the end of its useful life. This project would include the installation of a new roof.
- * Library Boiler- The boiler at the Library will be due for replacement. This project would include the installation of a new boiler.

Totals		54,000	1,665,000	1,500,000	-	120,000	3,339,000

Project Comments

- * Westfield Ave Athletic Courts - This project would improve the condition of the existing tennis and basketball courts to repair and resurface the courts. The tennis court would also be modified in order to allow for use as a pickle ball court.
- * Owen Bell Park Irrigation -This project would provide irrigation to Owen Bell park through the use of the existing pond. The project would include the dredging and minor expansion of the pond.
- * Owen Bell Park Pavillion -This project would update and make necessary repairs to the pavillion space at the park.
- * River Trail - Phase V & VI - Design and construction to continue the expansion of River Trail walk to include a pedestrian bridge to cross the existing stream.
- * Parks at Davis Property- Currently, the property is being utilized as a gravel yard. Once the gravel operation has completed the property would be reconstructed to allow for recreational use. The Town would propose to install several playing fields in this location.

Project Comments

Sewer Line Replacement - This is to fund deficient sewer lines and to correct inflow and infiltration problems. It will also identify the problem areas and begin a * systematic program that will correct identified deficiencies. Current year sewer line replacement projects also includes sewer line upgrades to Buck Street.

Plant Capital Projects/Equipment - This is to fund building improvements, continued work on pump stations and various equipment not covered by the current * Facility Upgrade.

Sewer Fund Contribution	10,000	10,000	10,000
Insurance Reimbursement	18,831	26,429	-
Expenditures	<u>(11,220)</u>	<u>(46,919)</u>	<u>-</u>
Ending Balance	<u>\$ 330,766</u>	<u>\$ 330,276</u>	<u>\$ 350,276</u>

This fund covers losses for both municipal and school activities which fall below the deductible levels of the Town's insurance coverage. The general liability deductible is \$2,500, property coverage deductible is \$10,000 and auto liability deductible is \$1,000.

Revenue for this fund derives from annual contributions made by the General Fund (See "Insurance" account in the "D" section of the budget) and from any insurance reimbursements received for losses in excess of deductible limits.

Expenditures represent the repair or replacement costs incurred for the losses experienced.

TOWN OF KILLINGLY
NATHAN PRINCE TRUST FUND

	2020-21 <u>Actual</u>	2021-22 <u>Estimate</u>	2022-23 <u>Budget</u>
Beginning Balance - Trust	369,797	366,556	361,556
Revenues:			
Interest	29,080	25,000	25,000
Expenditures - Books	<u>(32,321)</u>	<u>(30,000)</u>	<u>(30,000)</u>
Ending Balance - Trust	<u>\$ 366,556</u>	<u>\$ 361,556</u>	<u>\$ 356,556</u>

The Nathan Prince Trust Fund is a trust administered by Bank of America whereby one-eighth of net income is used for the purpose of purchasing and binding books belonging to the Library.

The Town receives mandatory distributions from the Trust each year. Expenses are for purchasing of new books for the Library.

TOWN OF KILLINGLY FUEL SYSTEM TRUST FUND

	2020-21 <u>Actual</u>	2021-22 <u>Estimate</u>	2022-23 <u>Budget</u>
Beginning Balance	29,683	24,296	25,296
Revenues			
3 cents a gallon Fuel Surcharge	4,300	4,500	4,500
Expenditures - New Fuel System (Computer, Pumps)	<u>(9,687)</u>	<u>(3,500)</u>	<u>(2,500)</u>
Ending Balance - Trust	<u>\$ 24,296</u>	<u>\$ 25,296</u>	<u>\$ 27,296</u>

This fund is designated to maintain our motor fuel system including tanks, pumps, computer and software programs to keep track of department usage.

Revenue for this fund is derived from a three cents a gallon fuel charge added on to the cost of the product that is charged to each department and other Town Service Agencies every month.

Expenditures represent the repair or replacement costs incurred.

**TOWN OF KILLINGLY
SOLID WASTE DISPOSAL FUND - 227**

DESCRIPTION
The Town operates a recycling center, waste transfer station using the services of a sub-contractor. The facility is open to permit holders Thursday and Saturday from 8:00 a.m. to 3:15 p.m. The Recycling Center accepts several recyclables including: newsprint and other paper products, glass, plastics, cardboard, scrap metal, batteries, anti-freeze, waste oil and numerous other items.

BUDGET VARIANCE DETAIL
Increases in Contractual Services Support are based on projected disposal fees as per the current disposal contract.
