Welcome! The Killingly Town Council and the employees of the Town of Killingly would like to take this opportunity to congratulate you on your recent purchase of a home or business in Killingly. Communication between citizens and their government is what puts the ‘unity’ in Community. The Town’s public access cable, Channel 22, carries information on meeting dates, local and school events and live coverage of monthly Town Council meetings. This information guide is a brief overview of the Town’s departments and the services they provide. **Additional information is also available on the Town’s local government website www.killinglyct.gov.**

Town Government. Killingly’s form of government, established by the Town Charter, is Town Meeting, Town Council, Town Manager. The Town Council is the legislative body of Town government and the Town Manager is the Chief Executive Officer of the Town. The Town Council regularly meets the second Tuesday of each month at 7:00 PM in the Town Meeting Room on the second floor of the Killingly Town Hall located at 172 Main Street.

Killingly is a community that had its beginnings around several mill villages which continue to be active community centers with both post offices and volunteer fire departments. Because postal delivery areas overlap fire districts and villages, your mailing address may not be the fire district in which you are located. Call the 911 Coordinator (Assessor’s Office, 860-779-5324) for your fire district name. The US Post Offices will deliver mail to all zip codes using Killingly as their city.

Parks and Recreation. The Killingly Parks & Recreation Department located in the Community Center at 185 Broad St. provides a wide variety of recreational opportunities for the residents of Killingly. Our active and leisure programs include athletics, arts and crafts, fitness and continued learning along with the summer outdoor activities, Camp Wallaby and the summer concert series. We host special events and family activities including The Great Killingly Tomato Festival, the Red, White & Blue BBQ and the annual Killingly Bike Night. The Little Theatre on Broad Street hosts several productions throughout the year, with a strong concentration on involvement in community theatre.

Owen Bell Park boasts playing fields for baseball, softball and soccer along with a walking track and trails for people to stay active. Basketball, tennis courts and a skate park are available, as well as a tot and Boundless playground. A splash pad is available seasonally and pavilions provide picnic areas throughout the park. Other parks in Killingly are Davis Park, Danielson Lions Park, Cat Hollow, Chase Reservoir, Mason Hill, Water Street, Phaiiah Dog Park, located along the River Trail, a walking, jogging, biking trail and Hygeia Reservoir, which is open seasonally. **All Parks are open from sunrise to sunset.**

For more detailed information, please visit the Town of Killingly website at www.killinglyct.gov or like us on Facebook at Killingly Parks and Recreation.

Planning and Development. Start with this office to apply for both zoning and building permits for new construction (houses, additions, sheds, garages, decks, swimming pools, etc.) or for changing the use of a property or building. To avoid delays, contact this department early in your planning as some projects may require several land use or commission (i.e. wetlands) approvals. We can help guide you through the permitting process.

Zoning. For a zoning permit, bring a plot or site plan, know the structure's size, proposed use, location, and its "setbacks" (the closest distances from all property lines to the outermost edges of the structure). Is there excavation or filling involved? If so, know the volume (cubic yards) and area of the work to be done. If you are not the property owner, you will need the owner's written authorization. Houses built on vacant lots that are not part of an approved subdivision also require a chain of title letter from an attorney verifying the lot's legal creation.

Two weeks notice is needed for zoning Certificate of Compliance inspections before you can get your Certificate of Occupancy from the Building Official. Call us for the permit fees or with any questions you may have regarding land use in Killingly. **For regulations concerning Town Zoning, Borough Zoning, Subdivisions and Wetlands , please go to the Town website.**

Revue Collector. The Revenue Office collects Real Estate, Motor Vehicle and Personal Property taxes as well as sewer use and assessment charges. Need a Recycling Center and Transfer Station permit? Stop in with your vehicle registration (see Recycling Center page 9 for additional details). In July of 2013, the Borough of Danielson contracted with the Town to collect Borough taxes along with the Town tax.

Important Dates to remember: All Motor Vehicle, Real and Personal Property less than \$100 are due in full in July. Real and Personal Property over \$100 may be paid in quarterly installments due July 1st, October 1st, January 1st and April 1st of each year. An additional Motor Vehicle billing, the supplemental motor vehicle, is due in January. Residential Sewer Use may be paid in two installments due July 1st and January 1st. Metered Sewer Use may be paid in two installments due September 1st and March 1st. Sewer Assessments are due in full in June.

No separate mailing will be sent for installments. Bills are mailed once a year. Interest on late payments is 18% annually, calculated from the due date.

How Do I Pay My Bill? You may pay your bill in our office, online through our website, through your bank's online banking system or by mail. Our mailing address is 172 Main St., Killingly, CT 06239. When paying by mail, write your list number(s) on your check or money order, and make payable to the "Town of Killingly" along with one copy of your bill. If a receipt is desired, send a stamped, self-addressed envelope. Staff is available at the Town Hall, 172 Main Street, M-W-Th: 8:00 AM-5:00 PM; Tu: 8:00 AM-6:00 PM; Fri: 8:00 AM-Noon, to accept your payment in person.

If you own a property on the tax due date, you have assumed the tax responsibility for that property. To avoid interest charges check with the collector or on our website to see if you have a balance due and to make sure that we have your most current address.

Assessor's Office. The Assessor's Office is responsible for preparing the Town's annual Grand List of taxable properties which accounts for approximately 50% of the Town's operating revenues. Both Real Estate and Personal Property (including Motor Vehicles) are taxable in Connecticut. Some key information to know is:

- Real Estate is inspected by assessment staff after the recording of sale transfers; as needed based on building permits; and as required by law for revaluation.
- The only Personal Property that does not need to be claimed annually to the local Assessor on October 1st is Connecticut registered motor vehicles.
- Exemptions that reduce assessments are available for veterans, disabled, blind, farmers, public safety volunteers & businesses.
- Tax abatements are available for elderly and disabled homeowners.
