Happy New Year to all of you!

I am addressing you in a written public comment, requesting that you give serious consideration to the candidacy of Adam Reynolds for the permanent building commission.

We are in urgent need of young and fresh volunteer blood in our town, and this is your chance to rebuild the foundation of our local government. Millions of dollars will be invested in our infrastructure during the next few years, and transparency is of the utmost importance. We need a new pair of eyes to make sure that our resources are protected. We need to make sure that these multi million projects are done right... the first time!
Approve Adam!

Respectfully,
Lydia Rivera-Abrams

Subject: Recommendation for Town Building Committee.

I recommend Adam Reynolds for the position of alternate on the Permanent Building Committee. As a facilities manager of a Danielson manufacture here in town. I trust his judgment and quality he provides.

Best regards,
